

CAPABILITY STATEMENT

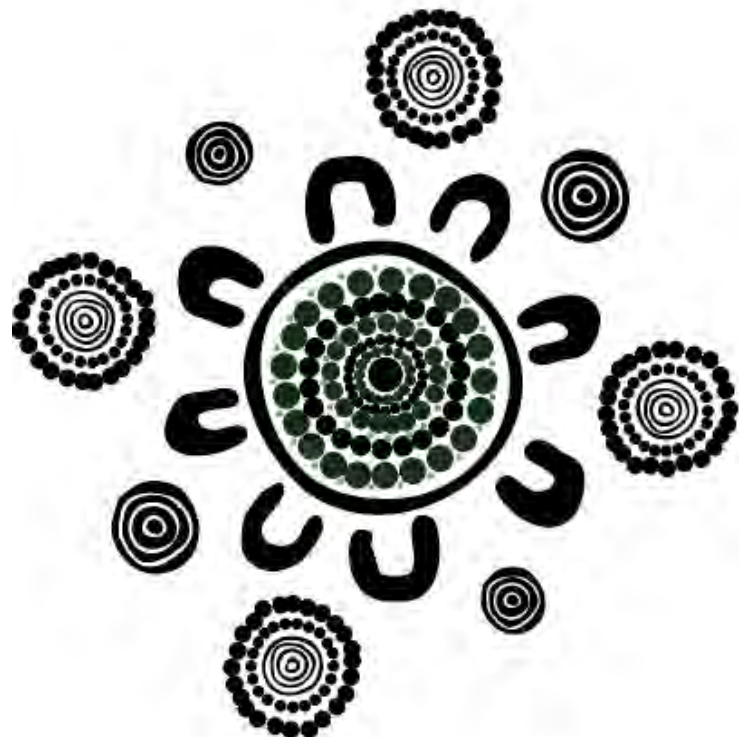

ADG Engineers (AUST) Pty Ltd

ACKNOWLEDGMENT OF COUNTRY

ADG acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respects to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

Introduction to ADG

Ever-mindful of the role we play in shaping places, people and communities, we are proud to lead strong, best-practice solutions that create a positive legacy for the future.

Driven by passion and vision, courage and optimism, we truly believe that no project or challenge is beyond us. At ADG, we design with purpose, to make a difference.

ADG Engineers (Aust) Pty Ltd was founded in 2002 and has evolved into a team of 240+ experts across eleven practices in Australia. As a proudly Australian-owned company that continues to be led by our founding partners, we combine decades of multi-sector experience with a diverse range of established and emerging engineering disciplines, advanced digital offerings and advisory services to deliver truly outstanding projects. Internationally we have partnerships in Jordan since 2008, serving some of the fastest growing regions of the world.

At ADG, our people are our most valuable asset. Our team of professionals drawn from diverse backgrounds and expertise cover a wide range of capabilities across a span of increasingly disruptive markets. Ever-mindful of the role we play in shaping places, people and communities, we are proud to lead strong, best-practice solutions that create a positive legacy for the future.

GROWING SUCCESS

We have a commitment to each other, our clients and our profession, and it is this perspective and approach that makes ADG a great place to work, and a great team to partner with. By providing continuous learning, challenging them with opportunities, celebrating success and supporting their wellbeing, we empower our people to be their best.

BE VISIONARY

We strive to build a more sustainable future. Always designing with purpose through partnership, we challenge ourselves and convention to create tailored solutions.

BE COURAGEOUS

Our honesty, integrity and authenticity earns the respect and trust of the people we work with. We have the experience and strength to speak up, and we are not afraid to lead the way.

BE GREAT TOGETHER

Our strength lies with our talented and inclusive team — we listen and collaborate with our trusted partners to find new possibilities. We harness the power of the group and push ourselves to build on great ideas and make them even better.

BE ENTHUSIASTIC

We share a passion for what we do and why we do it. Our commitment drives us to achieve better outcomes and underpins our hunger to deliver on our promises.

Our Sectors

We use our multi-sector experience and diverse range of capabilities, to strike the right balance between visionary and pragmatic solutions.

KEY EXPERIENCE

We make sure every client and every project gets the best of us, proactively unearthing opportunities and supporting their success to deliver, with confidence, what we believe is needed to achieve the best outcome.
